

POLICY 230: Child Abuse and Neglect

The Board of Education of School District No. 8 (Kootenay Lake) recognizes its obligation to ensure the safety and physical and emotional well-being of all students within its jurisdiction. Employees who have reason to believe that a child has been or is likely to be abused or neglected, or may need protection, are to promptly report the matter to a child protection social worker and/or local police agency.

The Superintendent is responsible for the implementation of this policy.
