

POLICY 860: Social Networking/Media

The Board of Education of School District No. 8 (Kootenay Lake) recognizes that it is important that staff, trustees, students, and parents engage, collaborate, learn and share in the digital environment. School District No. 8 (Kootenay Lake) supports safe and secure two-way communication between the district and its community, and between its schools and their communities (teachers, students, parents and trustees), by providing guidelines for effective digital participation. The district encourages schools and Board departments to communicate information and activities by developing and maintaining websites and social media accounts.
