

Aboriginal Education Equity Fund

The Aboriginal Education Equity fund uses Aboriginal Education funding to provide support beyond those services to which all students are entitled to through regular school supports such as:

- Financial Hardship funding
- Links funding
- Level 1, 2, or 3 funding for students identified with Inclusive Education
- Scholarships and bursaries

The intent is to address issues related to economic challenges that impact student success.

All requests are held in strict confidentiality, respecting the privacy of the family and student.
