

**Aboriginal Education Equity Fund, 2020-2021**

The Aboriginal Education Equity fund uses Aboriginal Education funding to provide support beyond those services to which all students are entitled to through regular school supports such as:

- Financial Hardship funding
- Links funding
- Level 1, 2, or 3 funding for students identified with Inclusive Education
- Scholarships and bursaries

The intent is to address issues related to economic challenges that impact student success.

*All requests are held in strict confidentiality, respecting the privacy of the family and student.*
