### **Brian Borhaven – Crawford Bay Secondary**

[liamborhaven@gmail.com](mailto:liamborhaven@gmail.com)

My name is Liam Brian Borhaven and I am a student that is currently enrolled in Crawford Bay Elementary/Secondary. In September, I will be starting grade 12. I have been a student trustee in the district in the past, but I have also been a part of the East Shore Youth Network board. Some of my interests are to further my skills in public speaking, to learn more about humanity both psychologically and culturally. I hope to be a voice for the students in our area by encouraging new ideas and communication amongst students and I feel this will allow myself and others to come together collectively as a community. I look forward to my last year in high school by being a positive representative and liaison for my fellow students with integrity.

My name is Calla DeRosa and I am a grade 10 student at Mount Sentinel Secondary and I am proud to say that I am apart of School Districts #8 School Board as a Student Trustee. I live in Castlegar BC with my Mom, Step Dad, younger Brother Ethan and my two Step Sisters Megan and Jenna. I then also live in Crescent Valley with my Dad, Step Mom, two cats Milo and Felix, and my dog Bailey. These are the people that have helped develop me into the person I am today. When I am not spending time at home with my family, I am on the Volleyball courts. Volleyball and school sports are what I believe have made me who I am today as an individual person. When I am on and off the court I am to be known as a leader. I'm very passionate about what I do, and love to help others. After highschool I would like to go to the University of Washington State to then major in Zoology and play in the NCAA.

**Adriana Wilson - Mount Sentinel Secondary**

My name is Adriana Wilson and I am a student at Mount Sentinel Secondary School. I was born in Nelson, BC, and have grown up in the Kootenays my whole life. My family is scattered throughout the world which has allowed me to explore countries I had only ever dreamed of seeing, and with my travel experiences, has come a great appreciation for the place I live.

My education has always been a very important part of my life and I strive to always be pushing myself to be better in every way possible, both in school and out. Although being a highschool student tends to involve late nights of studying and days spent finishing homework, I try to spend all the free time I get doing things I enjoy outside, like spending time with my family, playing volleyball, and travelling.

My name is Kyla Jones and I am a student at Salmo Secondary School. I was born in Trail but I have lived in Salmo my whole life. I love living in Salmo because the town is so small so we have a really great community. I know or at least recognise most people that I walk past on the street which makes Salmo very welcoming. Outside of school I spend my time playing sports like volleyball and softball and being with my friends and family. I am also a part of the Youth Action Committee in Salmo. This group allows the youth to have an input in what we want to happen in our community.

**Brook Jessup – Salmo Secondary**

[bjessup22@sd8net.sd8.bc.ca](mailto:bjessup22@sd8net.sd8.bc.ca)

My name is Brook Jessup, I was born and raised in the beautiful West Kootenays, specifically Salmo, BC. I have lived in this small town for all of my life, and in these fifteen years, I have breathed my heart and soul into the community. Outside of school, I participate in many activities and clubs such as softball, volleyball, YAC (Youth Action Committee), and I also try my hand at writing poetry from time to time. I am extremely interested in topics revolving around social justice issues, like unfairness in workplaces or just humans rights in general. I like to stay informed on worldly issues and occurrences as well as educate others about them.
