

L.V. Rogers  
Secondary

# Growth Plan 2018-20

1. **To track and improve our graduation rates to 98% by 2019.**  
→ All students will have a 3 year graduation plan and scholarship program pathway in academics, arts, trades, or recreation/health.
2. **To support successful transitions to high school and post-secondary.**  
→ Grade 9 matters. So does the path to post-secondary. All Gr 12 students will develop a personal profile portfolio and work toward a Capstone project by 2020.
3. **Improve resiliency and mental health and well-being.**  
→ Mental health matters. We will work toward school wide strategies for mental health and well-being.

*"All Students Matter. Find Your Pathway."*

Diversity. Challenge. Growth.
