AP 570.1: Prevention of Violence in the Workplace

1. Definition - Workplace Violence

The attempt or actual exercise by a person of any physical force so as to cause injury to a worker and includes any threatening statement or behaviour which gives a worker reasonable cause to believe that the worker is at risk of injury.

- 2. The Superintendent will be responsible to maintain current Violence Threat Risk Assessment procedures.
- 3. Procedures for violence prevention will be in accordance with the District Health and Safety Manual.
- 4. The Joint Safety Advisory Committee will monitor health and safety hazards and make recommendations to the Board.
- 5. Fair notice shall be provided annually to parents, students and the community that schools will not ignore any threat of violence.
- 4. All records and incidents are to be treated in a confidential manner, in keeping with Occupational Health and Safety Regulations, as identified in the District Health and Safety Manual.
- 5. Supervisors/Principals are to review the policy and District Health and Safety Manual with all staff at the beginning of each school year.
- 6. Training information and materials are available from the Joint Safety Advisory Committee.
- 7. Provisions for dealing with violence between two (2) or more employees of the Board will be covered by Occupational Health and Safety Regulations, and/or terms of any Collective Agreement.
- 8. The Board will maintain additional policies which support violence prevention.
