

AP Appendix 4207: Near Miss Incident Reporting Form

All employees have the responsibility to report and/or correct potential accidents/incidents immediately. Complete this form and report these near miss incidents to your immediate supervisor.

Definition:

Near Miss: a potential hazard or incident that had the potential but did not result in any personal injury or property damage. Unsafe working conditions, unsafe employee work habits, improper use of equipment or use of malfunctioning equipment that may have had the potential to cause work-related injuries or property damage.
