Alternate School Bus Routes - Creston Area

Winter is approaching! In preparation for this, School District 8 has identified some areas within the district where, due to grade and topography, the service by a school bus during events of severe winter weather would place students and staff at an unacceptable level of risk.

Any changes to regular bus routes will be posted on the following;

- Announcements on the SD8 Website
- Announcements on the School Website
- Facebook

Below are some pre-determined alternate school bus stop locations and pick up or drop off times, in case of a severe winter event in the Creston Area.

For all students living on Lakeview Road west of Vincent Road:

- The morning the stop location will be at the intersection of Lake View Road and Highway 3A at 7:53 am
- The afternoon the stop location will be at the intersection of Vincent Road and Lake View Road East at 3:25 pm (for elementary students) & @ 3:53 pm (for Secondary students)

For all students living on Cory Road:

- The morning stop location will be at the intersection of Cory Road and Highway 3A at 8:00 am,
- The afternoon the stop location will be at the intersection of Cory Road and Highway 3A at 3:45 pm.

For all students living on Evans Road and Teetzel Road there will be two alternate stop locations:

- In the morning the stop locations will be at the intersections of Evans Road and West Creston Road at 7:33 am and Teetzel Road and West Creston Road at 7:42 am,
- The afternoon stop locations will be at the intersections of Evans Road and West Creston Road at 3:27 pm and Teetzel Road and West Creston Road at 3:36 pm.
