

POLICY 130: Trustee Code of Conduct

The Board of Education makes decisions for the educational welfare of children/students and strives for public schools that will meet the needs of all students. The purpose of this policy is to outline an individual Trustee's accountability to protect the integrity and fiduciary responsibilities of the Corporate Board. The Trustee's code of conduct provides a clear understanding of roles and expectations on conduct, as well as approaches to investigate breaches of conduct, determine consequences, and restore relationships.

1. Conduct of Trustees

Trustees are elected into a position of trust under the provisions of the *School Act*, and have clear fiduciary duties to the corporate board, who as a body, are accountable to the electorate. They collectively and individually owe a public duty to carry out their responsibilities in good faith and with reasonable diligence. It is crucial to the successful operation of the Board that each member demonstrates a commitment to an equitable share of trustee responsibilities and executes these responsibilities in an exemplary and credible manner.

Accordingly, Trustees are expected to:

- 1.1. Operate within the parameters of the *School Act*, Board policies and practices, all applicable legislation and regulations, in particular aligned to the Oath of Office, this policy, the BC Human Rights Code, and the Declaration on the Rights of Indigenous People's Act;
- 1.2. Recognize that the individual Trustee has no authority to act on behalf of the Board of Education of School District No. 8 (Kootenay Lake) unless so approved by the Board and/or Board Chair;
- 1.3. Execute their duties in a professional and respectful manner that does not denigrate the office of School Trustee;
- 1.4. Endeavor to enhance their knowledge of the Trustee roles and responsibilities and become acquainted with current educational topics and trends; Act in accordance with the *School Act* primary functions of boards of education, including setting the Strategic Plan, policy development, and approving the school district's operating budgets and capital plans, while respecting the Superintendent/CEO's responsibility for the day-to-day administration of the School District;
- 1.5. Maintain effective and appropriate communication with the Board and Superintendent/CEO between meetings by regular monitoring of Board email and responding in a timely manner;
