

Pisapio Undergraduate Scholarship Successful Prior Applicant's Package

Returning Students Package

Congratulations on completing your second or third year of your undergraduate university education. As a successful prior applicant, you are receiving this abbreviated application form. We hope that by making your application process simpler and easier to complete that we will be able to provide you more easily with your second and third awards from the Pisapio Scholarship. Please complete the updated application form, attach your two prior years university transcripts, write us a brief cover letter updating us on your studies and extracurricular activities, and have one professor write us a letter of recommendation.

The Awards

As many as thirty five scholarships are awarded annually, ranging from \$500 to \$2500. Awards are paid directly to the university, subject to confirmation of the recipient's registration as a full-time student at the university. Your university will distribute the funds directly to you. Candidates may be awarded a maximum of three scholarships during the course of their first undergraduate degree.

Applications must be received no later than **October 1st**. Successful applicants will be notified on or before **November 22nd**. Full details of the application process and application form are included in this package.

Successful applicants after receiving their first award will be invited to apply for their second and third awards as applicable with a reduced requirement. As long as they remain eligible, per the requirements below, those returning applicants can reapply by completing an abbreviated application – provide their transcripts from their prior two years of studies, a brief letter updating the scholarship committee on the progress of their studies and extracurricular activities, and a single letter of reference from a professor at their university. Our intent is to provide our successful applicants with up to three years of scholarship and bursary.
