- b. The Parties participated in a mediation before Jessica Gregory on May 5 and June 2-3, 2025; and

**NOW THEREFORE the Employer and the Union agree to fully and finally resolve the Grievances as follows:**

1. The Union hereby withdraws the Grievances including releasing the Employer from any claim for compensation owed pursuant to these Grievances.
2. The Employer will offer a temporary increase in hours to the most senior school-based CUPE member with Food Safe Certification at the relevant school ("Eligible Member") in accordance with Appendix A to this Settlement Agreement.

- 4. If the Eligible Member declines the offer of hours under paragraph 2 or is on leave, then the hours will be instead offered to the next most senior Eligible Member who is available at the school. The Employer will determine the allocation of the total hours to individual schools in good faith.
- 7. Without precedent and without prejudice to any dispute about the exclusion of any other position from the bargaining unit, the Union agrees that the position of Food Programs Advisor will remain an exempt position provided that the duties of the position are not materially different from those described in the job description as at the date of this Settlement Agreement.
- 8. Without precedent and without prejudice to any other dispute about contracting out, the Employer may continue to contract out the preparation and delivery of food to schools.
- 9. The parties will meet in January 2026 to review the implementation of this Settlement Agreement.
- 10. The Employer acknowledges the right of the Union to add the topic of the school food program to the agenda of any Labour Management Meeting.
- 11. Jessica Gregory remains seized of any issues related to the implementation or enforcement of this Settlement Agreement.
